

**Permission to Release Electric Customer Load Data**

Please check the box next to the type of electric consumption data you wish to have released:

- Total monthly energy consumption (kWhr) and peak demand (kVA) for the previous 12-month period. The data to be provided via fax or e-mail to the address supplied below.
  
- Available interval data comprised of kW, kVAR, and kVA on a 15-minute interval. The data to be provided in a comma delimited file (\*.csv) using the DIM format detailed in the Settlement System Code of Alberta, and e-mailed to the address supplied below.

**To request this data, please fax this completed form to:**

**FortisAlberta Inc.**

**Fax Number: 403-514-5001      Attention: Meter Data Management**

Name of Customer(s): \_\_\_\_\_  
Site ID Number(s): \_\_\_\_\_  
Meter Number(s): \_\_\_\_\_

**(Please print)**

I, \_\_\_\_\_, have the authority to request the release of the above specified electric meter data to the person indicated below.
