FORTISALBERTA INC. Code of Conduct Regulation Compliance Plan

Purpose

FortisAlberta Inc. (“FortisAlberta”) owns and operates an electric distribution system in Alberta within the service territory granted to it under order of the Alberta Utilities Commission (“AUC”) and its predecessors. FortisAlberta is a Distributor as defined in the Code of Conduct Regulation, A.R. 58/2015 (the “Regulation”). In its capacity as a Distributor, FortisAlberta only provides regulated electric distribution services to Customers and does not provide retail electricity services, regulated rate service or default retail supply services to Customers. EPCOR Energy Alberta GP Inc. (“EEA”), as an Affiliated Provider, provides such services to FortisAlberta’s electricity distribution service customers. FortisAlberta is not corporately affiliated with EEA or any of EEA’s corporate affiliates or related entities.

The purpose of this Compliance Plan is to establish the systems, policies, and mechanisms that FortisAlberta will use to ensure compliance with the Regulation by FortisAlberta officers, employees, agents and contractors. Contraventions of the Compliance Plan by individuals may result in disciplinary action, up to and including termination of employment or contract with FortisAlberta.

This Compliance Plan describes certain obligations and responsibilities of specified FortisAlberta management personnel. Notwithstanding this, and without otherwise reducing or eliminating the obligation and responsibility of the specified FortisAlberta management personnel to ensure any specific requirements of this Compliance Plan are satisfied, it is understood that all or a portion of the tasks described in this Compliance Plan may be delegated by the specified FortisAlberta management personnel to other FortisAlberta personnel.

Questions or comments concerning the Compliance Plan should be directed to the FortisAlberta Compliance Officer (the “Compliance Officer”). Contact information for the Compliance Officer and a copy of the Compliance Plan are available at www.FortisAlberta.com.

The numbering used in the Compliance Plan is consistent with the numbering used in the Regulation.

Part 1 Interpretation

Retained for Numbering Consistency

Part 2 **Conduct and Business Practices**

3.0 **Conduct**

Policy: **FortisAlberta officers, employees, agents and contractors will conduct themselves and their activities so as to comply with and to ensure compliance with the Regulation and the Compliance Plan.**

Mechanisms

1. Upon their hiring, all FortisAlberta employees receive training on their obligations to comply with the Regulation and the terms of this Compliance Plan. The Compliance Officer is responsible for monitoring the completion of this new employee training to ensure that all new employees have received the training required. All new employees are expected to complete the training no later than 30 days following their date of hire.

2. Employees working in areas that have occasional or frequent interaction with Customers on matters related to retail electricity services, such as those employees in the areas of Customer Contact Centre, Retailer Relations and Major Accounts receive enhanced training.
3. Employees operating in the Customer Contact Centre, specifically Customer Service Representatives, receive training on at least an annual basis. This includes, but is not limited to, written materials and classroom based training on matters such as a Customer's right to choose a Retailer of electricity services and on the Corporation's obligation to maintain the confidentiality of Customer Information.
4. Employees working in the areas of Retail Relations and Major Accounts, in addition to their new employee training, receive from the Compliance Officer, on an annual basis, written communications outlining their continuing obligations under the Regulation and this Compliance Plan.
5. The training of employees shall include a description of the obligations and requirements of the Regulation and this Compliance Plan and also communicate the responsibility for employees and Management to report all complaints or suspected instances of non-compliance to the Compliance Officer for investigation.
6. Where contractors or agents perform work on behalf of FortisAlberta, and that work is subject to the Regulation, the contractor or agent is required to review and comply with the Regulation and this Compliance Plan.
7. FortisAlberta will ensure that the Compliance Plan is posted on the FortisAlberta website and available to all employees, contractors and agents.

Division 1 Customers

4.0 Tying prohibited

Policy: FortisAlberta will not require or induce Customers to acquire goods or services from EEA or any other Retailer by making or appearing to make regulated energy services conditional on the acquisition of those goods or services.

Mechanisms

1. FortisAlberta employees, officers, agents and contractors that come in contact with Customers will be made aware of and comply with the Tying prohibition through the Compliance Training described in Section 3.0:

1. Upon their hiring, all FortisAlberta employees receive training on their obligations to comply with the Regulation and the terms of this Compliance Plan. The Compliance Officer is responsible for monitoring the completion of this new employee training to ensure that all new employees have received the training required. All new employees are expected to complete the training no later than 30 days following their date of hire.
2. Employees working in areas that have occasional or frequent interaction with Customers on matters related to retail electricity services, such as those employees in the areas of Customer Contact Centre, Retailer Relations and Major Accounts receive enhanced training.
3. Employees operating in the Customer Contact Centre, specifically Customer Service Representatives, receive training on at least an annual basis. This includes, but is not limited to, written materials and classroom based training on matters such as a Customer's right to choose a Retailer of electricity services and on the Corporation's obligation to maintain the confidentiality of Customer Information.
4. Employees working in the areas of Retail Relations and Major Accounts, in addition to their new employee training, receive from the Compliance Officer, on an annual basis, written communications outlining their continuing obligations under the Regulation and this Compliance Plan.
5. The training of employees shall include a description of the obligations and requirements of the Regulation and this Compliance Plan and also communicate the responsibility for employees and Management to report all complaints or suspected instances of non-compliance to the Compliance Officer for investigation.
6. Where contractors or agents perform work on behalf of FortisAlberta, and that work is subject to the Regulation, the contractor or agent is required to review and comply with the Regulation and this Compliance Plan.
7. FortisAlberta will ensure that the Compliance Plan is posted on the FortisAlberta website and available to all employees, contractors and agents.

5.0 Transfer of customers

Policy: FortisAlberta will not, without the Customer's consent, transfer the Customer to a Retailer or Retail Energy Services tariff.

Mechanisms

1. FortisAlberta interprets the intent of this to be that a Distributor cannot, without the consent of a Customer, move the Customer to a Retailer other than the Distributor's Affiliated Provider or transfer the Customer to a retail electricity services tariff other than the owner's regulated rate tariff. FortisAlberta only transfers a Customer to a Retailer or to retail electricity services with a directive to do so by a Retailer, who would have had to obtain the Customer's authorization to do so as such Retailer is also subject to this Regulation and FortisAlberta's Terms and Conditions. All Retailer changes and requests that lead to them are recorded and retained.

6.0 Prohibited representation

Policy: FortisAlberta will not represent or imply in any way in communications with Customers or the public, that present or future Customers of EEA will receive treatment from FortisAlberta that is different from the treatment received by present or future Customers of other Retailers.

Mechanisms

1. All Retailers, including EEA as FortisAlberta's Affiliated Provider, are subject to the Distribution Tariff and are therefore treated equally. All communications are routinely documented.
2. FortisAlberta's Customer Contact Centre process and procedure training address requests for information about Retail Electricity Services, and will direct the Customer to the UCA website at www.ucahelps.alberta.ca. FortisAlberta does not permit users to access websites of Retailers from its website without stating that Customers are free to choose any Retailer and referring Customers to the list of Retailers maintained by the UCA. FortisAlberta employees, officers, agents and contractors are made aware of prohibition requirements through its Compliance Training Plan.

7.0 Advertising

Policy: FortisAlberta and EEA will have distinct names and logos that indicate each organization are separate entities.

Mechanisms

1. FortisAlberta's and EEA's names and logos are distinct as they are separate corporate legal entities.

8.0 Meetings between distributors or regulated rate suppliers with Retailers and customers

Policy: FortisAlberta will make reasonable efforts to be equally available to all Retailers for joint meetings with Retailers and Retailer's Customers to meet the requirements in accordance with the Regulation.

Mechanisms

1. FortisAlberta will govern itself and its processes in a manner that will enable all Retailers to effectively deal with the company in the same way.
2. FortisAlberta will make reasonable efforts to be available for joint meetings with Retailers and Retailer's Customers within 14 days after a request for a joint meeting has been received.

Division 2 Customer Information

9.0 Confidentiality of customer information

Policy: FortisAlberta will protect the confidentiality of Customer Information and not disclose Customer Information except in accordance with the Regulation.

Mechanisms

1. The Compliance Officer will ensure a Privacy Policy, which complies with AUC Rule 010, AUC Rule 004 *Tariff Billing Code*, AUC Rule 021 *Settlement System Code*, the *Electric Utilities Act* and its Regulations, and the *Personal Information Protection Act* and its Regulation, is posted on FortisAlberta's internal and external websites and is accessible to all employees, contractors and agents. Information

about the use and disclosure of Customer information will be available on the website www.FortisAlberta.com.

10.0 Disclosure of customer information

Policy: FortisAlberta will only disclose Customer Information in accordance with the Regulation.

Mechanisms

1. FortisAlberta will only disclose Customer Information to a Customer, or an agent appointed by a Customer, if permitted by AUC Rule 010, AUC Rule 004 *Tariff Billing Code*, AUC Rule 021 *Settlement System Code*, the *Electric Utilities Act* or its Regulations, or the *Personal Information Protection Act* or its Regulation, or after the Customer has provided consent. FortisAlberta follows the requirements described in AUC Rule 010 for responding to requests for Customer Information. The necessary forms are available on the following link:
<http://www.fortisalberta.com/customer-service/documents-forms/-in-category/categories/documents/retailers>
2. FortisAlberta's practices in this regard are governed by and comply with AUC Rule 010, AUC Rule 004 *Tariff Billing Code*, AUC Rule 021 *Settlement System Code*, the *Electric Utilities Act* and its Regulations, and the *Personal Information Protection Act* and its Regulation, in addition to the FortisAlberta Terms and Conditions.

11.0 Conditions on disclosure of customer information

Policy: FortisAlberta will only disclose Customer Information to a Retailer or Retailers in accordance with the Regulation.

Mechanisms

1. FortisAlberta will only disclose Customer Information to a Customer, or an agent appointed by a Customer, if permitted by AUC Rule 010, AUC Rule 004 *Tariff Billing Code*, AUC Rule 021 *Settlement System Code*, the *Electric Utilities Act* and its Regulations, and the *Personal Information Protection Act* and its Regulation, or after the Customer has provided consent.
2. FortisAlberta will disclose the customer information to the retailer within seven days after receiving the request or the consent, whichever is later. For the cases where the customer consents to the disclosure of the customer information to two or more retailers, FortisAlberta will disclose the customer information to those retailers at the same time and in the same form and manner, and will not inform any person of the existence of a request, consent or disclosure referred above.

12.0 Historical electricity or gas usage

Policy: FortisAlberta will only provide a Retailer with historical usage information in accordance with the Regulation and AUC Rule 010.

Mechanisms

1. FortisAlberta will only disclose Customer Information to a Customer, or an agent appointed by a Customer, if permitted by AUC Rule 010, AUC Rule 004 *Tariff Billing Code*, AUC Rule 021 *Settlement System Code*, the *Electric Utilities Act* and its Regulations, and the *Personal Information Protection Act* and its Regulation, or after the Customer has provided consent. FortisAlberta follows the requirements described in AUC Rule 010 for responding to requests for Customer Information.
2. FortisAlberta will retain a record of all requests and responses in Customer records.

13.0 Aggregated customer information

Policy: FortisAlberta will only provide a Retailer with aggregated Customer Information in accordance with the Regulation.

Mechanisms

1. FortisAlberta's Retail Support and Call Centre departments will manage all retailer requests for aggregated customer information in accordance with the Code of Conduct Regulation. Retail Support and the Call Centre will retain records of retailer requests for aggregated customer information.
2. Retail Support and the Call Centre will review and, as required, modify the aggregated customer information to ensure that information of any particular customer or retailer cannot be readily identified prior to posting the aggregated information on the FortisAlberta website. Retail Support and the Call Centre will retain a written record of the aggregated information provided.
3. At least 24 hours before aggregated customer information is made available to a retailer, Retail Support and the Call Centre will place a notice on the FortisAlberta website clearly describing the information and the cost of obtaining the information, which shall be no more than the costs incurred. The notice will be kept on the website for at least 30 days after the aggregated information is made available.
4. Retail Support and the Call Centre will retain a written copy of the notice and record the dates the notice was posted on the website.

Division 3

Business Practices of Distributors and Regulated Rate Suppliers

14.0 Equal treatment of Retailers

Policy: FortisAlberta Terms and Conditions will not give preferential treatment to its Affiliated Provider or to Customers of its Affiliated Provider, discriminate against any Retailer or against Customers of any Retailer, and any changes to FortisAlberta regulated energy services or the FortisAlberta Terms and Conditions that apply to those services, will be communicated to all Retailers at the same time and in the same manner to meet the requirements in accordance with the Regulation.

Mechanisms

1. FortisAlberta manages all interactions with Retailers and its Affiliated Provider in accordance with the FortisAlberta Terms and Conditions and the Retailer Service Agreement. FortisAlberta will ensure the FortisAlberta Terms and Conditions are available to all Customers, contractors and agents at www.FortisAlberta.com.

15.0 Prohibitions

Policy: FortisAlberta will abide by the prohibitions contained in the Regulation.

Mechanisms

1. FortisAlberta's Customer Contact Centre process and procedure training address requests for information about Retail Electricity Services. FortisAlberta's process and procedures will instruct employees to respond to Customer requests for information concerning Retail Energy Services in a manner that does not encourage a Customer to contact one Retailer in preference to other Retailers. FortisAlberta's Customer Contact Centre process and procedure training instructs employees to direct the Customer to the list of Retailers maintained by the UCA website at www.ucahelps.alberta.ca.
2. FortisAlberta does not permit users to access websites of Retailers from its website without stating that customers are free to choose any Retailer and referring customers to the list of Retailers maintained by the UCA.
3. FortisAlberta employees, officers, agents and contractors are made aware of prohibition requirements through its Training Plan.

4. FortisAlberta will perform quality assurance checks on recorded Customer telephone calls to the Customer Contact Centre to ensure appropriate responses to Customer requests for information are given. Failure to follow established procedures will result in corrective action including coaching, retraining or discipline of the FortisAlberta employee.

16.0 Information about retail energy services

Policy: When FortisAlberta receives a request for information about retail energy services it will refer Customers to a source where they may obtain a current list of Retailers that are licensed under the *Fair Trading Act* to engage in the marketing of electricity or the marketing of gas.

Mechanisms

1. FortisAlberta's Customer Contact Centre process and procedure training address requests for information about Retail Electricity Services. FortisAlberta's process and procedures will instruct employees to respond to Customer requests for information concerning Retail Energy Services in a manner that does not encourage a Customer to contact one Retailer in preference to other Retailers. FortisAlberta's Customer Contact Centre process and procedure training instructs employees to direct the Customer to the Utilities Customer Advocate ("UCA") website at www.ucahelps.alberta.ca.
2. FortisAlberta does not permit users to access websites of Retailers from its website without stating that customers are free to choose any Retailer and referring customers to the list of Retailers maintained by the UCA.
3. FortisAlberta employees, officers, agents and contractors are made aware of prohibition requirements through its Training Plan.
4. FortisAlberta will perform quality assurance checks on recorded Customer telephone calls to the Customer Contact Centre to ensure appropriate responses to Customer requests for information are given. Failure to follow established procedures will result in corrective action including coaching, retraining or discipline of the FortisAlberta employee.

Part 3
Relationships Among Distributors, Regulated Rate Suppliers and Affiliated Providers

Division 1
Preventing Unfair Competitive Advantage

17.0 Arrangements creating unfair competitive advantage prohibited

Policy: FortisAlberta will not make any arrangements that create an unfair competitive advantage for the Affiliated Provider.

Mechanisms

1. Retail Support and the Call Centre will manage all requests for customer information in accordance with the Code of Conduct Regulation. Retail Support and the Call Centre will retain records of such requests for customer information.
2. The Compliance Officer will monitor the actions of FortisAlberta employees, officers, agents and contractors for compliance with the Regulation and Compliance Plan and will report non-compliances in accordance with the methods set out in Section 33.0 of this Compliance Plan.

18.0 Information Sharing

Policy: FortisAlberta will ensure that its Customer Information is not disclosed or made available to any Retailer for the purposes of marketing or sales of Energy Services, except in accordance with the Regulation.

Mechanisms

1. FortisAlberta provides EEA with Customer Information that EEA requires in its role as regulated Affiliated Provider in accordance with the FortisAlberta Terms and Conditions. Appropriate data management and information access protocols are in place to ensure Customer Information is not improperly disclosed. FortisAlberta has entered into an agreement with its Affiliated Provider that addresses this Policy.

19.0 Retailer seeking customer information

Policy: None Required – FortisAlberta does not provide Retail Energy Services.

20.0 Acquisitions, research and dispositions

Policy: None Required - Although EEA is FortisAlberta's Affiliated Provider pursuant to the Regulation, FortisAlberta and EEA are separate legal and corporate entities and do not participate in joint acquisitions, do not share costs or expenses and do not jointly acquire property.

21.0 Goods and services transactions to be at fair market value

Policy: All transactions involving the sale, lease, exchange, transfer or other disposition of goods or services between FortisAlberta and EEA will be recorded and priced at Fair Market Value to prevent the creation of an unfair competitive advantage. If the value of the transaction for goods or services is regulated by a municipal, provincial or federal government or government agency, the regulated value will be considered the Fair Market Value.

Mechanisms

1. Invoicing for the Distribution Tariff by FortisAlberta to EEA, is performed in accordance with the FortisAlberta Terms and Conditions. Financial transactions between FortisAlberta and EEA will be in writing and records will be maintained.

22.0 Financial transactions

Policy: FortisAlberta will not provide a loan, guarantee, security or other financial transaction on terms more favorable could be obtained in the open market to prevent the creation of an unfair competitive advantage.

Mechanisms

1. Although EEA is FortisAlberta's Affiliated Provider pursuant to the Regulation, FortisAlberta and EEA are separate legal and corporate entities and FortisAlberta will not enter into any such financial transactions with EEA.

23.0 Entities carrying on more than one business

Policy: None Required – FortisAlberta only carries on business as a regulated electric distribution utility.

24.0 Access to publicly available information

Policy: FortisAlberta will not restrict access to information available to the public in accordance with the Regulation.

Mechanisms

In the event that FortisAlberta provides EEA or any other retailer with information of the kind described at Section 24 of the *Code of Conduct Regulation* (e.g., outage notices), the same information is simultaneously made available to other retailers via transmission to an email distribution list maintained by FortisAlberta's Stakeholder Relations Group. All mailings of publically available information to the retailer distribution list are recorded in an email archive for audit purposes.

Division 2 Records and Accounts

25.0 Records and accounts

Policy: FortisAlberta will keep accounts in accordance with generally accepted accounting principles, any uniform system of records required by the Commission, sufficient detail to enable an audit to be conducted and will retain separate records and accounts from EEA in accordance with the Regulation.

Mechanisms

1. FortisAlberta will maintain accounts in accordance with generally accepted accounting principle and maintain records to enable an audit to be conducted as specified in Section 25 of the Regulation.

2. FortisAlberta will maintain separate records and accounts from EEA in accordance with the Regulation.

26.0 Written financial transactions

Policy: Every financial transaction between FortisAlberta and EEA will be documented in writing to prevent the creation of any unfair competitive advantage.

Mechanisms

1. Invoicing for the Distribution Tariff by FortisAlberta to EEA, is performed in accordance with the FortisAlberta Terms and Conditions. Financial transactions between FortisAlberta and EEA will be in writing and records will be maintained.

27.0 Records of transactions for goods and services

Policy: All transactions for goods and services between FortisAlberta and EEA will be recorded in accordance with the Regulation.

Mechanisms

1. Invoicing for the Distribution Tariff by FortisAlberta to EEA, is performed in accordance with the FortisAlberta Terms and Conditions. Financial transactions between FortisAlberta and EEA will be in writing and records will be maintained.

28.0 Maintaining records

Policy: FortisAlberta will retain records, accounts, records of financial transactions, reports and plans for at least six years.

Mechanisms

1. FortisAlberta retains the identified documentation for at least six years.

Part 4 Compliance Requirements

Division 1 Compliance Plans and Compliance Reports

29.0 Prohibition against providing retail energy services without approved compliance plan

Policy: None Required - FortisAlberta does not provide Retail Energy Services.

30.0 Compliance Plan required

Policy: FortisAlberta will develop compliance training material that will be used to train officers, employees, agents and contractors of FortisAlberta on the provisions of the Regulation, the Compliance Plan, and their duties and responsibilities. The material will include the following topics:

- **Equal treatment of Customers;**
- **Protecting confidential Customer Information;**
- **Equal treatment of Retailers;**
- **Preventing unfair competitive advantage for Affiliated Retailers; and**
- **Other (to be specified).**

Mechanisms

1. (a) Upon their hiring, all FortisAlberta employees receive training on their obligations to comply with the Regulation and the terms of this Compliance Plan. The Compliance Officer is responsible for monitoring the completion of this new employee training to ensure that all new employees and officers have received the training required. All new employees are expected to complete the training no later than 30 days following their date of hire.
- (b) Employees working in areas that have occasional or frequent interaction with Customers on matters related to retail electricity services, such as those employees in the areas of Customer Contact Centre, Retailer Relations and Major Accounts receive enhanced training.
- (c) Employees operating in the Customer Contact Centre, specifically Customer Service Representatives, receive training on at least an annual basis. This includes, but is not limited to, written materials and classroom based training on matters such as a Customer's right to choose a Retailer of electricity services and on the Corporation's obligation to maintain the confidentiality of Customer Information.

- (d) Employees working in the areas of Retail Relations and Major Accounts, in addition to their new employee training, receive from the Compliance Officer, on an annual basis, written communications outlining their continuing obligations under the Regulation and this Compliance Plan.
 - (e) The training of employees shall include a description of the obligations and requirements of the Regulation and this Compliance Plan and also communicate the responsibility for employees and Management to report all complaints or suspected instances of non-compliance to the Compliance Officer for investigation.
 - (f) Where contractors or agents perform work on behalf of FortisAlberta, and that work is subject to the Regulation, the contractor or agent is required to review and comply with the Regulation and this Compliance Plan.
 - (g) FortisAlberta will ensure that the Compliance Plan is posted on the FortisAlberta website and available to all employees, contractors and agents.
2. The Compliance Committee will be accountable for the implementation of the Compliance Plan and the Mechanisms herein.
 3. The Compliance Committee will ensure procedures are in place to internally monitor compliance with the Compliance Plan and to identify any instances of non-compliance.
 4. The Compliance Committee will meet quarterly to discuss compliance with the Regulation and Compliance Plan. Minutes will be taken at each quarterly meeting and made available for audit purposes.
 5. The Compliance Officer is responsible for investigating and resolving complaints with respect to FortisAlberta's compliance with the Regulation or Compliance Plan.

31.0 Approval by Commission

Retained for Numbering Consistency

32.0 Changes to Compliance Plan

Policy: FortisAlberta will amend the Compliance Plan to reflect changes in circumstances and changes to the Regulation.

Mechanisms

1. The Compliance Committee is accountable for ensuring the Compliance Plan is kept current and for any required amendments.
2. The Compliance Officer will be accountable for submitting any amended Compliance Plan to the AUC as required.
3. The Compliance Officer will notify FortisAlberta employees, contractors and agents of any amendments approved by the AUC as soon as practicable.

33.0 Quarterly and annual compliance reports

Policy: FortisAlberta will report any non-compliance with the Regulation and the Compliance Plan and file annual reports in accordance with the Regulation and any applicable Commission rule.

Mechanisms

1. The Compliance Committee will prepare a Compliance Report each quarter describing any non-compliance in accordance with the Regulation, Compliance Plan and AUC Rule 030. The Compliance Officer will provide the reports to FortisAlberta's Board of Directors for review.
2. The Compliance Officer will file a Compliance Report with the AUC for any instance of non-compliance with the Regulation or Compliance Plan within 30 days of becoming aware of the incident.
4. Within 90 days after the end of each calendar year, the Compliance Officer will file an Annual Compliance Report with the AUC which has been approved by the Board of Directors.

34.0 Information about complaints

Policy: FortisAlberta will give notice to the public that complaints about contraventions of the Regulation or the Compliance Plan may be made to the Commission or the Market Surveillance Administrator.

Mechanisms

1. FortisAlberta will ensure the following notice is available to all Customers on the website www.FortisAlberta.com:

The Code of Conduct Regulation governs aspects of Alberta's retail electricity and natural gas market and is intended to create a level playing field for Retailers, while at the same time ensuring that Customers and Customer Information are adequately protected.

Any person that feels that FortisAlberta has failed to conduct its business in accordance with the Code of Conduct Regulation may submit a complaint to the Alberta Utilities Commission at consumer-relations@auc.ab.ca or by phoning 1-780-427-4903 or to the Market Surveillance Administrator at compliance@albertamsa.ca or by phoning 1-403-705-3181. The Alberta Utilities Commission and the Market Surveillance Administrator are independent of FortisAlberta and EPCOR Energy Alberta GP Inc.

35.0 Publication of compliance plans and reports

Retained for numbering consistency

36.0 Regulation prevails

Policy: Compliance by FortisAlberta with the Compliance Plan requirements does not release FortisAlberta from complying with the Regulation.

Mechanisms

1. None Required.

Division 2 Varying Arrangements

37.0 Alternative compliance arrangements

Retained for numbering consistency

38.0 Emergency exceptions

Policy: Any action taken by FortisAlberta in response to an emergency that threatens public safety, the safety of officers, employees, contractors or agents, the physical integrity of their facilities or system reliability does not contravene the Regulation or the Compliance Plan.

Mechanisms

1. FortisAlberta will report emergency situations that fall under Section 38 of the Code of Conduct Regulation and the Compliance Plan to the Commission within 30 days of such an emergency occurring and to the Compliance Committee at the first quarterly meeting following such an emergency occurring. All such emergency situations will be reported to and recorded by the Compliance Officer.

Division 3
Compliance Audit

39.0 Appointment of auditor
