

FORTISALBERTA FEES

Fee Type	Fee Amount (not including GST)
Pre-Application Consultation – up to five locations ¹	Starting from \$1,000
High Level Study (HLS) ²	\$5,500
Detailed Level Study (DLS) ³	\$30,000
AESO BTF Independent Assessment Fee ⁴	\$15,000
AESO Cluster Coordination Fee ⁵	\$30,000
Detailed Level Study Update ⁶	Starting at \$10,000
FortisAlberta Input for AESO Bulk Services Study ⁷	\$7,000
Entity Name Change ⁸	\$3,000
Project Cancellation Fee ⁹	Subject to FortisAlberta review
Project Invoice Cancellation Fee ¹⁰	\$500

- ¹ A distribution feeder capacity confirmation and queue check with up to five prospective sites.
- ² HLS fee is per site/location includes a pre consultation (for the applied-for site) and the High Level Study.
- ³ Detailed Level Study Fee covers the detailed engineering cost of service following a detailed engineering study including design, quoting, and construction print completion. The fee is to facilitate the preparation and planning stages of the project. If the customer chooses not to proceed with the project, any unspent balance of the Fee will be refunded. If the customer moves forward to construction, any unutilized portion of the Fee will be credited towards the interconnection costs. If the project is cancelled and expenditures exceed the fee collected, a true-up invoice for outstanding costs will be issued.
- ⁴ AESO BTF Independent Assessment Fee is applicable to DG projects below 5MW with an STS.
- ⁵ AESO Cluster Coordination Fee is applicable to DG projects that meet the AESO cluster criteria.
- ⁶ Detailed Level Study Update Subject to FortisAlberta's discretion, a DLS update may be required to accommodate electric system developments including extended project timeline impacts driven by external parties. Note that the revision timeline and scope may vary based on project requirements and the evolving interconnection plan. If circumstances warrant updates, the customer is notified, invoiced and work is then conducted accordingly.
- ⁷ System services required to ensure that the interconnected electric system is operated in a manner that provides a satisfactory level of service with acceptable levels of voltage and frequency such as Fast Frequency Response, may require input from the Distribution Facility Owner.

- ⁸ Multiple administrative activities include but are not limited to, verifying the legal requirements for changing the corporation name with the utility, confirming which new entities have power to sign agreements, confirm corporation is registered as a Canadian corporation with Canadian address, new vendor registrations with finance and compliance with any SOX or internal audit related tasks, CRM tool updates, construction print updates, engineering documentation and design drawing updates, notify all stakeholders (AESO if applicable), including subcontractors, vendors, and partners, about the name change, recurring meeting maker calendar changes, administrative file naming changes and annotations back to previous entities. This applies at any time and is applied to each name change.
- ⁹ Subject to assessment of impacts due to a project cancellation. This fee may be charged in addition to Cancellation Costs as defined in the Terms and Conditions.
- ¹⁰ Where invoices are issued and require revision(s) or cancellation(s) after the fact. This fee is to cover administrative time.

ALTALINK FEES

Fee Type	Fee Amount (not including GST)
Stage 0: PDUP Study Consultant	\$8,000
Stage 1 & 2: AltaLink Support – Cluster Assessment	\$15,000
Stage 3 & 4 Transmission Study Fee	Starting from \$50,000
Transmission High Level Study (THLS)	\$4,000

² Subject to change by AltaLink at their sole discretion. Please contact generation@fortisalberta.com or your SRM for other transmission system owner's costs.

AESO FEE SCHEDULE

Fee Type	Fee Amount (not including GST)
Cluster Assessment	
Preliminary Assessment	The lower of \$5,000 + \$150 * (MC in MW) or \$25,000
Detailed Assessment	The lower of \$20,000 + \$300 * (MC in MW) or \$65,000
Change Assessment Fee	\$10,000
Reassessment Fee in the event of cancellation	The lower of \$20,000 + \$300 * (MC in MW) or \$65,000

*Fees are subject to change without notice by the AESO at its sole discretion. Please visit www.AESO.ca for the most up-to-date information.
